Par Girlschool

*Album : Race With The Devil*

One, two, three, four...

**Hey Rock 'n' Rollers, stand up and shout**

**Hey Rock 'n' Rollers, stand up and shout**

You know what people say

Rock will never fade away

**So let me hear you**

**Come on, let me hear you**

**One, two, three, four**

**Why are we living for Rock 'n' Roll?**

**Rock 'n' Roll**

**Five, six, seven, eight**

**Why we appreciate Rock 'n' Roll?**

**Rock 'n' Roll**

Hey Rock 'n' Rollers, answer the call

I said hey Rock 'n' Rollers, we've got it all

You know I'll never stop

Rock 'n' Roll until we drop

**So let me hear you**

**Come on, let me hear you**

**One, two, three, four**

**Why are we living for Rock 'n' Roll?**

**Rock 'n' Roll**

**Five, six, seven, eight**

**Why we appreciate Rock 'n' Roll?**

**Rock 'n' Roll**

Rock 'n' Roll is all you need

Rock 'n' Roll until we please

**So let me hear you**

**Come on, let me hear you**
