Apply (Chairlift remix)

Par Glasser

Album : Apply

If the walls were too thin,

You would break in, mmm,

If the walls were too thin,

You would break right in

Huh, huh, huh, huh...

Morning

Morning

Out in the thunder,

Opens my eyes wide,

There is something in my mind,

Keeps me up at night,

Ooh when the window

Lets in hot whips of light

Before I feel it's time,

To control my mind.

Morning

Morning

Morning

Morning

Morning

Morning

Morning

Morning

Morning

Morning

Morning

Morning

Morning

Morning

Morning

Morning
