Alone

Par Glee Cast

Album : The Music, volume 1

I hear the ticking of the clock

I'm lyin' here, the room's pitch dark

I wonder where you are tonight

No answer on the telephone

And the night goes by so very slow

Oh, I hope that it won't end though...

Alone

'Til now, I always got by on my own

I never really cared until I met you

And now it chills me to the bone

How do I get you alone?

How do I get you alone?

You don't know how long I have wanted

To touch your lips and hold you tight

Yeah, you don't know how long I have waited

And I was gonna tell you tonight

But the secret is still my own

Ohhh, and my love for you is still unknown...

Alone

Ohhh...

Ohhh...

'Til now, I always got by on my own

I never really cared until I met you

And now it chills me to the bone

How do I get you alone?

How do I get you alone?

Oh, how do I get you alone?

How do I get you alone?

How do I get you alone?

How do I get you alone?

Alone

Alone...

Alone...
