I Hate U, I Love U

Par Gnash feat. Olivia O'Brien

Album : Knuffelrock 2017 (CD1)

Feeling used but I'm still missing you

And I can't see the end of this

Just wanna feel your kiss

Against my lips

And now all this time is passing by

But I still can't seem to tell you why

It hurts me every time I see you

Realize how much I need you

I hate you, I love you

I hate that I love you

Don't want to but I can't put

Nobody else above you

I hate you, I love you

I hate that I want you

You want her, you need her

And I'll never be her

I miss you when I can't sleep

Or right after coffee

Or right when I can't eat

I miss you in my front seat

Still got sand in my sweaters

From nights we don't remember

Do you miss me like I miss you?

Fucked around and got attached to you

Friends can break your heart too

And I'm always tired but never of you

If I pulled a you on you, you wouldn't like that shit

I put this reel out, but you wouldn't bite that shit

I type a text but then I never mind that shit

I got these feelings but you never mind that shit

Oh, oh, keep it on the low

You're still in love with me but your friends don't know

If you wanted me you would just say so

And if I were you, I would never let me go

I don't mean no harm

I just miss you on my arm

Wedding bells were just alarms

Caution tape around my heart

You ever wonder what we could have been?

You said you wouldn't and you fucking did

Lie to me, lie with me, get your fucking fix

Now all my drinks and all my feelings are all fucking mixed

Always missing people that I shouldn't be missing

Sometimes you gotta burn some bridges just to create some distance

I know that I control my thoughts and I should stop reminiscing

But I learned from my dad that it's good to have feelings

When love and trust are gone

I guess this is moving on

Everyone I do right does me wrong

So every lonely night I sing this song

I hate you, I love you

I hate that I love you

Don't want to but I can't put

Nobody else above you

I hate you, I love you

I hate that I want you

You want her, you need her

And I'll never be her

All alone I watch you watch her

Like she's the only girl you've ever seen

You don't care, you never did

You don't give a damn about me

Yeah, all alone I watch you watch her

She is the only thing you ever see

How is it you never notice

That you are slowly killing me

I hate you, I love you

I hate that I love you

Don't want to but I can't put

Nobody else above you

I hate you, I love you

I hate that I want you

You want her, you need her

And I'll never be her
