East Coast Anthem

Par Good Charlotte

Album : The young and the hopeless

Walking on the streets of D.C.

On the east coast where I live, You say what's the problem

What's with this angry kid

You don't like the way I walk, Or the way I talk,

Or the way I swing my hands,

You don't like the words I speak, or the thoughts I think

And I know you'll never understand

You know

On the east coast, we ride until we die

You know,

Well there's a place inside my mind,

Yeah a place you'll never find,

There's a place inside my mind, walk this way

You know

And wouldn't it be perfect if I could sit with you?

And we would change a thing or two, we would change a thing or two,

We would change the way you think, we would change the way I think,

We can't change the way they think so we're not changin' anything

You know

On the east coast, we ride until we die

You know,

Well there's a place inside my mind,

Yeah a place you'll never find,

There's a place inside my mind, we'll leave today

You know

'Cause on the east coast we ride, until the day we die

Well there's a place inside my mind,

Yeah a place you'll never find,

There's a place inside my mind walk this way

Well there's a place inside my mind,

Yeah a place you'll never find,

There's a place inside my mind we'll leave today

You know
