Every Planet We Reach Is Dead

Par Gorillaz

Album : Demon Days (full version 2005) (single)

I lost my leg like I lost my way

So no loose ends

Nothing to see me down

How are we going to work this out?

Dreams aren't bad, our heads are mad

I love the girl

But God only knows it's

Getting hard to see the sun coming through

I love you

But what are we going to do?

Picture on the dreamer

I'll take you deeper

Down to the sleepy glow

Time is a low

Don't you know

What are we going to do?

When you go back

All the second selfless days

You're in love with him

I want to see you again

I love you

But what are we going to do?
