Last Living Souls

Par Gorillaz

Album : Demon Days (full version 2005) (single)

Are we the last living souls?

Are we the last living souls?

Are we the last living souls?

Are we the last living souls?

Take a gun

Or how you say

That's no way

To behave

So now we meet again

To sing a song that doesn't sing

It grows

You know

Are we the last living souls?

Are we the last living souls?

Are we the last to get away to a song another day?

Or do we know

Well, we know

Does it seem to be conveyed that way?

Are we, are we the last living souls?

Are we the last living souls?

Are we the last living souls?

If your the last living soul

Get up, get up, get up, get up

What you say?

'Cause all I had sung

I got it down and wrong

I see myself to get

The Lord, seeing all now

Can you take us in?

The part that comin' on

The coldest man doesn't see is all

And when you go to the car

I see you walk to the far

And when you get there do you see

You fit the last you need on me?

'Cause we're the last living souls

We're the last living souls

Yeah, we're the last living souls

We're the last living souls
