Wooh!

Wooh!

Wooh!

**All right!**

I wanna be your teacher in the team

Get to come in naked, cause it's clean

I wanna be your make-up, with the seam

Just take a shaker, make it mean

I won't get over the damn

Cause it's just like that old mile

Every four o' clock in the morning

I think I'm gonna die

Check I'll hold you

I wish it was you

Gotta get a cat up a CK

Cause that's where we're at

Gotta give a car the beetles

Cause they're not sad

But I won't get over it now

Cause it's half-drawn on the shout

It could be four o' clock in the morning

If you wish it'd got no style

I gotta shit out like I was never

On the fallest town to be

I could wish this way forever

But I ever gonna be clean

No, I can't get shot

**Albeit, no!**

I can't get shot

**Albeit, no!**

I can't get shot!

Wooh!

Wanna grow to keep it in June

Gonna make it easy for you

Wanna be the carever in the coal

Just get this on with

Everything the kids enjoy

But I won't get over it soon

Cause there ain't light at full noon

Cause at four o' clock in the morning

I got cheering up to do

If not, you get a real shot

It's just like walls I never drived

But I go: "Wooh!"

I just go: "Wooh!"

**We all go: "Wooh!"**

Yeah!

**We all go: "Wooh!"**

**All right!**
