To Shore

Par Grace Potter

Album : Medicine

Don't you remember the way it made you feel

When all the trouble in the world was nipping at your heels?

Don't you get lonely when the cold wind blows?

The smiling faces disappear and all the doors are closed

I've been on the losing boat

Sinking to the ocean floor

But your heart will stay afloat

So jump in the water and get yourself to shore

Do you remember the way you looked at me

When all the world was beautiful and free?

Tell me what has happened? Do you feel the change?

And why do you now hide your face and act so strange?

'Cause I've been on the losing boat

Sinking to the ocean floor

But your heart will stay afloat

So jump in the water and get yourself to shore

Let me bring you shelter

And let me hold your hand

My eyes will search the dark horizon

Until we find the land

Oh, I've been on the losing boat

Sinking to the ocean floor

But your heart will stay afloat

So jump in the water and get yourself

I've been on the losing boat

Sinking to the ocean floor

But your heart will stay afloat

So jump in the water and get yourself to shore

Jump in the water and get yourself to shore

Get yourself to shore

Oh, get yourself to shore
