The Jam

Par Graham Central Station

Album : The Funk Box

Hey!

Sugar!

Sugar!

I want her again

Hmmm, again, yeah

I'm???? again y'all

My name is Robert Sams

But my friends call me Butch

Dynamite, they call it dynamite

I try with all my might

To stay out of sight

On my guitar, ahhh

On my guitar, yeah

Oh brother man, oh brother man

I blame it on the brother next door

My name is??????????, yes

Good god!
