Save Your Love

Par Great White

Album : Once Bitten

I wake in the night
To find you on my mind
Deep in a dream,
You'll always be
Until the end of time
I look in your eyes
They touch my soul
My love is hard to hide
I'm never alone when we're apart.
I feel you by my side
And here in my heart,

Where no one else will ever be

I know who you are,

So lock the door and throw away the key

Save all your love

Save your love for me

When I'm alone at night,

You're all I see

I wake from a dream

And see you by my side

How could I belong to someone else,

When holdin' you feels so right?

And here in my heart

Where no one else will ever be

We've made it so far,

So lock the door and throw away the key

Save all your love

Save all your love for me

When I'm alone at night,

You're all I see

Save all your love

Save your love for me

Don't turn your back on me

You're all I need

Save your love,

Save your love,

Save all your love

Save all your love
