### 30 Haushinka (cassette demo)

Par Green Day

*Album : Dookie (30th anniversary deluxe edition)*

Haushinka is a girl with a peculiar name

I met her on the eve of my birthday

I didn't know (I didn't know)

I didn't know all that you think

I know now (I know now)

I know now, but it's too damn late

**This girl has gone far away**

**Now she's gone**

**This girl has gone far away**

**Now she's gone**

**This girl has gone far away**

**Now she's gone**

**This girl has gone far away**

**Now she's gone, now she's gone, now she's all gone**

All I have now is a memory to date

A big hat and cigarettes, and a peculiar name

Did she know (did she know)

Did she know before she went away?

Does she know (does she know)

Does she know I want her back to stay

**This girl has gone far away**

**Now she's gone**

**This girl has gone far away**

**Now she's gone**

**This girl has gone far away**

**Now she's gone**

**This girl has gone far away**

**Now she's gone, now she's gone, now she's all gone**

Will she ever find her way?

I'm too damn young to be too late, but am I?

So take this message 'bout wondering what

And I'll be here hoping, I'm waiting for you

Craving for you now

**This girl has gone far away**

**Now she's gone**

**This girl has gone far away**

**Now she's gone**

**This girl has gone far away**

**Now she's gone**

**This girl has gone far away**

**Now she's gone, now she's gone, now she's all gone**
