# 409 in Your Coffeemake?

Par Green Day

*Album : 1,039/Smoothed Out Slappy Hour*

**I sit in the state of a daydream**

**With all of your words flying over my head**

**Even more time gets wasted**

In a daze

It should seem obvious to you

Your screams and cries are never going to work

**And all of your time gets wasted**

**In my daze**

**And I'm looking back now**

**At where I have gone wrong**

**And why I could not seem to get along**

**My interests are longing**

**To break from these chains**

**These chains that control my future's aim**

**I sit in the state of a daydream**

**With all of your words flying over my head**

**Even more time gets wasted**

In a daze

Maybe I'm just too damn lazy

Or maybe I was just brainwashed to think that way

**And all of your time gets wasted**

**In my daze**

**And I'm looking back now**

**At where I have gone wrong**

**And why I could not seem to get along**

**My interests are longing**

**To break from these chains**

**These chains that control my future's aim**

I'm looking back now at

Where I have, have gone wrong

And why I could not seem

Could not seem to get along

**And I'm looking back now**

**At where I have gone wrong**

**And why I could not seem to get along**

**My interests are longing**

**To break from these chains**

**These chains that control my future's aim**
