Warning (live)

Par Green Day

Album : Live Without Warning

This is a public service announcement, this is only a test

Emergency evacuation protest

"May impair your ability to operate machinery"

Can't quite tell just what it means to me

Keep out of reach of children, don't you talk to strangers

Get your philosophy from a bumper sticker

Warning. Live without warning

I say warning. Live without warning

Without. Alright

Better homes and safety-sealed communities?

Did you remember to pay the utility?

Caution: police line, you better not cross

Is it the cop or am I the one that's really dangerous?

Sanitation, expiration date, question everything?

Or shut up and be a victim of authority

Warning. Live without warning

I say warning. Live without warning

I say warning. Live without warning

I say warning. Live without warning

Without. Alright

Better homes and safety-sealed communities?

Did you remember to pay the utility?

Caution: police line, you better not cross

Is it the cop, or am I the one that's really dangerous?

Sanitation, expiration date, question everything?

Or shut up and be a victim of authority

Warning. Live without warning

I say warning. Live without warning

I say warning. Live without warning

I say warning. Live without warning

This is a public service announcement, this is only a test
