It's so amazin' what we've done

Ridin' the wave of love as one

Takin' our time to feel the love

We are all stars under the sun

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, we gettin' fucked tonight (run that back, Turbo)

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, who gettin' fucked tonight?

You gettin' fucked tonight, she gettin' fucked tonight

She gettin' fucked tonight, she gettin' fucked tonight

She gettin' fucked tonight, she gettin' fucked tonight

Stop callin' her phone, she gettin' fucked tonight

Blowin' down her line, you the buster type

Knowin' that you lyin', we don't go for the hype (yeah)

Catch 'em from behind, niggas know I'ma snipe (yeah)

Suck it when I drive, baby know what I like (yeah)

Spread that pussy wide, let go for a dive (yeah)

(It's so amazin' what we've done)

(Ridin' the wave of love as one) who gettin' fucked tonight?

(Takin' our time to feel the love)

(We are all stars under the sun) you gettin' fucked tonight

Bae, you wit' it tonight? I'll pay whatever the price

I'll knock her down, I'ma strike, I wanna fit it inside

Gettin' with me is enticin', her pussy is my vice

I see you, we gon' fight, you gettin' fucked tonight

It's so amazin' what we've done

Ridin' the wave of love as one (who gettin' fucked tonight?)

Takin' our time to feel the love

We are all stars under the sun

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, we gettin' fucked tonight

Don't bring your friend if it ain't gonna be a threesome

Won't pretend, ain't gonna lie, I'm tryna freak somethin'

Hennessy, you a sweet one, you a freak, you's a demon

And I'm just one more body, I don't really mean nothin', mm, mm

I dey control, whoa-whoa, call me remote

If push one button, it's off with your clothes (it's so amazin' what we've done)

If I don't do nothin', I do the most (ridin' the wave of love as one)

(Takin' our time to feel the love) I wanna know

(We are all stars under the sun) who gettin' fucked tonight?

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight (uh), we gettin' fucked tonight (oh)

We gettin' fucked tonight (uh), we gettin' fucked tonight (uh)

We gettin' fucked tonight (uh), we gettin' fucked tonight

It's so amazin' what we've done

Ridin' the wave of love as one

Takin' our time to feel the love

We are all stars under the sun

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, we gettin' fucked tonight (uh, ooh, yeah, oh)
