Mr. Brownstone

Par Guns 'N' Roses

Album : Live Era '87-'93 - D1

I get up around seven

Get out of bed around nine

I don't worry about nothing, no

Because worry's a waste of my time

Show usually starts around seven

We go on stage around nine

Get on the bus about eleven

Sippin' a drink and feelin' fine

We've been dancing with

Mister Brownstone

He's been knocking

He won't leave me alone

No, no, no

He won't leave me alone

I used to do a little, but a little wouldn't do it, so the little got more and more

"I just keep tryna get a little better", said a little better than before

I used to do a little, but a little wouldn't do it, so the little got more and more

"I just keep tryna get a little better", said a little better than before

We've been dancing with

Mister Brownstone

He's been knocking

He won't leave me alone

No, no, no

He won't leave me alone

Now, I get up around whenever

I used to get up on time

But that old man, he's a real motherfucker

Gonna kick him on down the line

I used to do a little, but a little wouldn't do it, so the little got more and more

"I just keep tryna get a little better", said a little better than before

I used to do a little, but a little wouldn't do it, so the little got more and more

"I just keep tryna get a little better", said a little better than before

We've been dancing with

Mister Brownstone

He's been knocking

He won't leave me alone

No, no, no

He won't leave me alone

Oh, leave me alone

Stuck it in the middle and I shot it in the middle and it

It drove outta my mind

"I should've known better", said I wish I never met her

Said I leave it all behind

Yowsa!
