# Colors (Paused)

Par Halsey

*Album : BADLANDS*

Your little brother never tells you but he loves you so

You said your mother only smiled on her TV show

You're only happy when your sorry head is filled with dope

I hope you make it to the day you're 28 years old

**You're dripping like a saturated sunrise**

**You're spilling like an overflowing sink**

**You're ripped at every edge but you're a masterpiece**

**And now you're tearing through the pages and the ink**

**Everything is blue**

**His pills, his hands, his jeans**

**And now I'm covered in the colors**

**Pulled apart at the seams**

**And it's blue**

**And it's blue**

**Everything is grey**

**His hair, his smoke, his dreams**

**And now he's so devoid of color**

**He don't know what it means**

**And he's blue**

**And he's blue**

You were a vision in the morning

When the light came through

I know I've only felt religion when I've lied with you

You said you'll never be forgiven 'til your boys are too

And I'm still waking every morning but it's not with you

**You're dripping like a saturated sunrise**

**You're spilling like an overflowing sink**

**You're ripped at every edge but you're a masterpiece**

**And now you're tearing through the pages and the ink**

**Everything is blue**

**His pills, his hands, his jeans**

**And now I'm covered in the colors**

**Pulled apart at the seams**

**And it's blue**

**And it's blue**

**Everything is grey**

**His hair, his smoke, his dreams**

**And now he's so devoid of color**

**He don't know what it means**

**And he's blue**

**And he's blue**

You were red and you liked me 'cause I was blue  
But you touched me and suddenly I was a lilac sky  
And you decided purple just wasn't for you

**Everything is blue**

**His pills, his hands, his jeans**

**And now I'm covered in the colors**

**Pulled apart at the seams**

**And it's blue**

**And it's blue**

**Everything is grey**

**His hair, his smoke, his dreams**

**And now he's so devoid of color**

**He don't know what it means**

And he's blue

And he's blue

Everything is blue

Everything is blue

Everything is blue

Everything is blue
