Hurricane

Par Halsey

Album : Badlands (Decade Edition Anthology)

There's a place way down in Bed-Stuy

Where a boy lives behind bricks

He's got an eye for girls of eighteen

And he turns them out like tricks

I went down to a place in Bed-Stuy

A little liquor on my lips

I let him climb inside my body

And held him captive in my kiss

And there's a storm you're starting now

And there's a storm you're starting now

And there's a storm you're starting

I'm a wanderess, I'm a one-night stand

Don't belong to no city, don't belong to no man

I'm the violence in the pouring rain

I'm a hurricane

Ah-ah-ah, ah-ah-ah-ah

I'm a hurricane

Ah-ah-ah, ah-ah-ah-ah

I'm a hurricane

I went down to a place in Brooklyn

Where you tripped on LSD

And I found myself reminded

To keep you far away from me

And there's a storm you're starting now

And there's a storm you're starting now

And there's a storm you're starting

I'm a wanderess, I'm a one-night stand

Don't belong to no city, don't belong to no man

I'm the violence in the pouring rain

I'm a hurricane

Ah-ah-ah, ah-ah-ah-ah

I'm a hurricane

Ah-ah-ah, ah-ah-ah-ah

I'm a hurricane

He says, "Oh, baby, begging you to save me

Well lately, I like 'em crazy

Oh, maybe, you could devastate me

Little lady, come and fade me"

I'm a wanderess, I'm a one-night stand

Don't belong to no city, don't belong to no man

I'm the violence in the pouring rain

Come and fade me

Come and fade me

I'm a hurricane
