# Hurricane

Par Halsey

*Album : Badlands (Decade Edition Anthology)*

There's a place way down in Bed-Stuy

Where a boy lives behind bricks

He's got an eye for girls of eighteen

And he turns them out like tricks

I went down to a place in Bed-Stuy

A little liquor on my lips

I let him climb inside my body

And held him captive in my kiss

**And there's a storm you're starting now**

**And there's a storm you're starting now**

**And there's a storm you're starting**

**I'm a wanderess, I'm a one-night stand**

**Don't belong to no city, don't belong to no man**

**I'm the violence in the pouring rain**

**I'm a hurricane**

**Ah-ah-ah, ah-ah-ah-ah**

**I'm a hurricane**

**Ah-ah-ah, ah-ah-ah-ah**

**I'm a hurricane**

I went down to a place in Brooklyn

Where you tripped on LSD

And I found myself reminded

To keep you far away from me

**And there's a storm you're starting now**

**And there's a storm you're starting now**

**And there's a storm you're starting**

**I'm a wanderess, I'm a one-night stand**

**Don't belong to no city, don't belong to no man**

**I'm the violence in the pouring rain**

**I'm a hurricane**

**Ah-ah-ah, ah-ah-ah-ah**

**I'm a hurricane**

**Ah-ah-ah, ah-ah-ah-ah**

**I'm a hurricane**

He says, "Oh, baby, begging you to save me

Well lately, I like 'em crazy

Oh, maybe, you could devastate me

Little lady, come and fade me"

**I'm a wanderess, I'm a one-night stand**

**Don't belong to no city, don't belong to no man**

**I'm the violence in the pouring rain**

**Come and fade me**

Come and fade me

I'm a hurricane
