Pennies From Heaven

Par Hans Teeuwen

Album : Zingt

Every time it rains it rains

Pennies from heaven

Don't you know each cloud contains

Pennies from heaven

You'll find your fortune's fallin'

All over the town

Be sure that your umbrella is

Upside down

Trade them for a package of

Sunshine and flowers

If you want the things you love

You must have showers

So, when you hear it thunder

Don't you run under a tree

There'll be pennies from heaven

For you and me

Every time, every time it's gonna rain, gonna rain

Pennies from heaven

Don't you know that every cloud contains

Pennies from heaven

You'll find your fortune's fallin', baby

All over the town

And you better make sure

That your umbrella is laying on the ground

And it's the wrong side down

Trade them for a package of

Sunshine and flowers

If you want the things that you love

You've got to have a lot of showers

And, when you hear it thunder

Don't run under a tree

There'll be pennies from heaven

Yeah, pennies from heaven

There'll be pennies from heaven

For you and me
