Dare You (Hardwell Concert edit)

Par Hardwell

Album : Hardwell Presents Revealed, Volume 5

We're a million lonely people

All together on this needle in the sky

Afraid of heights

And your dreams were made illegal

By the laws of lesser evil we call life

But not tonight

I dare you to love

I dare you to cry

I dare you to run

I dare you to try

I dare you to fall

And lay on the ground

I dare you to feel

I dare you to be here now

You're an outline of a vision

That you had when we were children yesterday

You watch it fade

Let your heart be your religion

Let it break you out of this prison you became

It's not too late

I dare you to love

I dare you to cry

I dare you to run

I dare you to try

I dare you to fall

And lay on the ground

I dare you to feel

I dare you to be here now

I dare you

I dare you
