Who Needs It

Par Hazel O'Connor

Album : Breaking Glass

Living in the shadow of the mushroom tower

Who needs it?

Find no shelter from that kind of shower

Who needs it?

Nuclear rain, melting my brain

Who needs it - not you, not me, who needs this insanity?

At the top of the tower there's a creature who wants power

Who needs it? (Who needs it?)

If he gets in the dungeon, he could just press the button

Who needs it? (Who needs it?)

He'll flee inside, and you'll have nowhere to hide

Who needs it - not you, not me, who needs this insanity?

Who needs it, who needs it?

I need it like a hole in the head

Don't need it, don't need it

Here comes the era, the era of the living dead

(Who needs it, who needs it?)

(Who needs it, who needs it?)

(Who needs it, who needs it?)

(Who needs it, who needs it?)

Who needs it, who needs it?

I need it like a hole in the head

Don't need it, don't need it

Here comes the era, the era of the living dead

(Who needs it, who needs it?)

Who needs it, who needs it?

I need it like a hole in the head

Don't need it, don't need it

Here comes the era, the era of the living dead

(Who needs it, who needs it?)

Who needs it, who needs it?

I need it like a hole in the head

Don't need it, don't need it

Here comes the era, the era of the living dead

(Who needs it, who needs it?)

Thank you
