# Betrayed

Par Heavy Halo

*Album : Heavy Halo*

**In chains, in chains, in chains**

**Betrayed, betrayed**

I don't know what you're waiting for

Living in a dream, fragile fantasy

**In the chains that tie you to the floor**

Bite til i bleed, but you still need more

Secrecy

**Lies and cheats**

Apathy

**Misery tonight**

**(absolution)**

**And i've lost the will to fight**

**(absolution)**

**In chains, in chains, in chains**

**Betrayed, betrayed**

**In chains, in chains, in chains**

**Betrayed, betrayed**

Every day wishing for something more

Slave to routine, yr just fucking bored

**In the chains that tie you to the floor**

Bite til i bleed, like you did before

Secrecy

**Lies and cheats**

Apathy

**Misery tonight**

**(absolution)**

**And i've lost the will to fight**

**(absolution)**

**In chains, in chains, in chains**

**Betrayed, betrayed**

**In chains, in chains, in chains**

**Betrayed, betrayed**

Too late, too late, too late

It's fate, pure hate

**In chains, in chains, in chains**

**Betrayed, betrayed**
