Electric Eye

Par Helloween

Album : Treasure Chest [Box] Disc 3

Up here in space

I'm looking down on you.

My lasers trace

Everything you do.

You think you've private lives

Think nothing of the kind.

There is no true escape

I'm watching all the time.

I'm made of metal

My circuits gleam.

I am perpetual

I keep the country clean.

I'm elected electric spy

I protected electric eye.

Always in focus

You can't feel my stare.

I zoom into you

You don't know I'm there.

I take a pride in probing all your secret moves

My tearless retina takes pictures that can prove.

Electric eye, in the sky

Feel my stare, always there

There's nothing you can do about it.

Develop and expose

I feed upon your every thought

And so my power grows.

Protected. Detective. Electric eye.
