I'M Alive

Par Helloween

Album : Keeper Of The Seven Keys Pt.1

You, you say, you have lost the way

Got no aim, just livin' for today

Look up to the sky above

And see the morning sun again

You got so much power inside

So cry it out my friend

I'm alive

I'm alive (I'm alive)

I'm alive

I'm alive

There's no use in hangin' all around

You're a king, can't you see your crown?

Look into my eyes so many things are waiting to be done

You just need a friend

Together we will sing along

I'm alive

I'm alive (I'm alive)

I'm alive

I'm alive

Look into my eyes

So many things are waiting to be done

You just need a friend

Together we will sing along

I'm alive

I'm alive (I'm alive)

I'm alive

I'm alive

I'm alive

I'm alive (I'm alive)

I'm alive

I'm alive!
