Symptom of the Universe

Par Helmet

Album : The Jerky Boys

Take me through the centuries to supersonic years

Electrifying enemy is drowning in his tears

All I have to give you is a love that never dies

The symptom of the universe is written in your eyes.

Yeah, yeah

Mother mooch is calling me back to her silver womb

Father of creation takes me from my stolen tomb

Seventh night the unicorn is waiting in the skies

A symptom of the universe, a love that never dies

Yeah, yeah

Take my hand, my child of love come step inside my tears

Swim the magic ocean I've been crying all these years

When our love will ride away into eternal skies

A symptom of the universe, a love that never dies

Yeah, yeah
