Join Me

Par HIM

Album : Platin, Vol. 8 [Disc 1]

Baby join me in death

Baby join me in death

Baby join me in death

We are so young

Our lives have just begun

But already we're considering

Escape from this world

And we've waited for so long

For this moment to come

We're so anxious to be together

Together in death

Won't you die tonight for love

Baby join me in death

Won't you die

Baby join me in death

Won't you die tonight for love

Baby join me in death

This world is a cruel place

And we're here only to lose

So before life tears us apart let

Death bless me with you

Won't you die tonight for love

Baby join me in death

Won't you die

Baby join me in death

Won't you die tonight for love

Baby join me in death

This life ain't worth living

This life ain't worth living

This life ain't worth living

This life ain't worth living

Won't you die tonight for love

Baby join me in death

Won't you die

Baby join me in death

Won't you die tonight for love

Baby join me in death

Baby join me in death
