# Beautiful Day

Par Hypertrophy

*Album : Future Trance Vol. 3 (CD 1)*

I've seen the world

Done it all, had my cake now

Diamonds, brilliant, and Bel-Air now

Hot summer nights mid July

When you and I were forever wild

The crazy days, the city lights

The way you'd play with me like a child

**Will you still love me when I'm no longer young and beautiful**

**Will you still love me when I got nothing but my aching soul**

**I know you will, I know you will**

**I know that you will**

**Will you still love me when I'm no longer beautiful**

I've seen the world, lit it up as my stage now

Channeling angels in, the new age now

Hot summer days, rock and roll

The way you'd play for me at your show

And all the ways I got to know

Your pretty face and electric soul

**Will you still love me when I'm no longer young and beautiful**

**Will you still love me when I got nothing but my aching soul**

**I know you will, I know you will**

**I know that you will**

**Will you still love me when I'm no longer beautiful**

**Will you still love me when I'm no longer beautiful**

Will you still love me when I'm not young and beautiful
