0.7 dead sky dawning

Par hypocrisy

Album : the arrival

I woke up screaming from a nightmare

That seemed so real

A horrifying vision of the skyline

Covered up in steel

I stumble outside, everything around me had changed

I could not believe my eyes

I stare into a world rearranged

My heart was pounding faster

Am I awake or still in a dream?

The vision of final disaster

The vision of empty streams?

[Chorus]

I see a dead sky dawning

A lethal encounter of the first degree

I see a dead sky dawning

No mercy for you, No mercy for me

I see a dead sky dawning

A lethal encounter of the first degree

I see a dead sky dawning

It's the end for you, It's the end for me

The world is silent

Only the light from above can be seen

Flashing colors are blinding people

I face creation with fear for me

It's not of this world

I sense its hostility

Something within me tells me

It's the end of humanity

My heart was pounding faster

Am I awake or still in a dream?

The vision of final disaster

The vision of empty streams

Released from this nightmare

Let me wake up to find the world I knew

But then I see the faces around me

I realize we are the chosen few

[Chorus]

I see a dead sky dawning

A lethal encounter of the first degree

I see a dead sky dawning

No mercy for you, No mercy for me

I see a dead sky dawning

A lethal encounter of the first degree

I see a dead sky dawning

It's the end for you, It's the end for me

It's the end for me

They've come to take me away

Remembered as their prey

The execution right now taking flight

[Chorus]

I see a dead sky dawning

A lethal encounter of the first degree

I see a dead sky dawning

No mercy for you, No mercy for me

I see a dead sky dawning

A lethal encounter of the first degree

I see a dead sky dawning

No mercy for you, no mercy for me!
