Hey Little Girl

Par Icehouse

Album : Best of the 80s

Hey, hey

When everything goes wrong

Sometimes it makes no sense

Hey, hey

There once was a time

I should have known better then

Hey, hey

Although you may try

It won't come your way again

Hey, little girl

Where will you hide?

Who can you run to now?

Hey, little girl

Where will you go?

Who can you turn to now?

Hey, hey

So why should I care

If somebody let you down?

Hey, hey

Mmm that's nothing new

I know just what that can mean

Hey, hey

Well, the way that they talk

The talk is all over town

Hey, hey

And it's no surprise

Little girls hurt sometimes

Hey, little girl

Where will you hide?

Who can you run to now?

Hey, little girl

Where will you go?

Who can you turn to now?

(Who can you turn to now?)

Mmm-hmm-hmm

Hey, hey

When everything goes wrong

Sometimes it makes no sense

Hey, hey

Hey, little girl

I should have known better

Known better then

Hey, hey

Hey, little girl

Where will you hide?

Who can you run to now?

Mmm-hmm-hmm

Hey, little girl

Where will you hide?

(Where will you hide?)

Who can you run to now?

(Who can you run to now?)

Hey, little girl

(Little girl)

Where will you go?

(Will you go?)

Who can you turn to now?
