Cock in My Pocket

Par Iggy and The Stooges

Album : Raw Power (Deluxe Edition)

I got my cock in my pocket

And i'm reelin

Down the old highway

I got my cock in my pocket

And i'm reelin

Down the old highway

I'm gonna whip it on you honey

Taste your blood today

I got my cock in my pocket

And it's shovin up

Through my pants

I got my cock in my pocket

And it's shovin up

Through my pants

I just wanna fuck

This aint no romance

I got my cock in my pocket
