# Louie, Louie

Par Iggy Pop

*Album : Coffee and Cigarettes*

And now, the news

Louie, Louie

Oh baby, I gotta go now

Louie, Louie

Oh baby, I really gotta go now

The communist world is fallin' apart

The capitalists are just breakin' hearts

Money is the reason to be

It makes me just wanna sing, Louie Louie

Louie, Louie

Oh baby, I gotta go now

**Louie, Louie**

**Oh baby, I really gotta go now**

And a fine little girl, she is waitin' for me

But I'm as bent as Dostoevsky

I think about the meaning of my life again

And I have to sing, Louie Louie again

**Louie, Louie**

**Oh baby, I gotta go now**

**Louie, Louie**

**Oh baby, I really gotta go now**

Oh, let's give it to 'em, right now

Alright

Oh man, I, I dunno like man like you know

I dunno like health insurance

And the homeless and world peace

And aids and education, I mean that

I'm tryin' to do right but hey

Life after Bush and Gorbachev

The wall is down but something is lost

Turn on the news, it looks like a movie

It makes me wanna sing, Louie Louie

**Louie, Louie**

**Oh baby, I gotta go now**

**Louie, Louie**

**Oh baby, I really gotta go now**

Said, I gotta go now

I gotta go now

I really gotta go now

Well, let's go
