The night I laid my eyes on you

I felt everything around me move

Got nervous when you looked my way

But you knew all the words to say

And your love slowly moved right in

All this time, oh my love, where you been

Mi amore

Don't you know

My love I want you so

Sugar

You make my soul complete

Rapture tastes so sweet

I'm mesmerised in every way

You keep me in a state of daze

Your kisses make my skin feel weak

Always melting in your heat

Then I soar like a bird in the wind

Oh I glide like I'm flying through heaven

Mi amore

Don't you know

My love I want you so

Sugar

You make my soul complete
