*Album : IMMATURE*

Extra Extra read all about it

I'm lookin for that one love

that's gonna treat me right

Extra Extra read all about it

I'm lookin for that one love

that's gonna hold me tight

I'm gonna put it in the want adds

I'm looking for that one girl that I know

I can call my very own

I hope she reads this message

cuz tonight is the night,

I don't wanna be left alone

**Extra Extra read all about it**

**I'm lookin for that one love**

**that's gonna treat me right**

**Extra Extra read all about it**

**I'm lookin for that one love**

**that's gonna hold me tight**

In the end I wanna tell her

I just enjoy doing

the simple things in life

like holding hands in the park

ooo my love will never stop

girl I'm gonna put it in the want adds baby

**Extra Extra read all about it**

**I'm looking for that one love**

**that's gonna treat me right**

**Extra Extra read all about it**

**I'm looking for that one love**

**that's gonna hold me tight**

If this sad pretains to you

just call me in a hurry

and I'll get right back to you baby

and I would make for me and you

so you don't have to worry

I'll be wit you forever baby

**Extra Extra read all about it**

**I'm looking for that one love**

**that's gonna treat me right**

**Extra Extra read all about it**

**I'm looking for that one love**

that's gonna hold me tight

Extra Extra read all about it

I'm looking for that one love

that's gonna treat me right

Extra Extra read all about it

I'm looking for that one love

that's gonna hold me tight
