La Buena Vida

Par Indiana Bible College

Album : Come Home

I like living the good life, living the high life

Where all things are possible in Christ

Living the good life, I'm walking in the light

Where all things are possible

You can make it with God on your side

Who can stop you, there's no need to hide

If God is for us who could stand against us

I'm gonna run

I'm gonna run on

It's time to celebrate we're on the winning side

It's time to stand up, no one left behind

The devil's a liar, lift Jesus higher

I'm gonna shout

I like living the good life, living the high life

Where all things are possible in Christ

Living the good life, I'm walking in the light

Where all things are possible

Tu puedes si Dios esta contigo

Note pares note escondas mas

Dios con nosotros quien cona nosotros

Yo correre, Yo correre, Yo correre

Vamus al celebrar tu vas a ganar

Parate firme note quedas atras

El diablo es mentiroso, Cristones exaltado

Yo cantarre, Yo cantarre, Yo cantarre

Me gusta vivir la buena vida

Vivir la buena vida donde todobes posible

En Cristo vivir la buena vida

Yo vivo en laluz donde todo es posible

I like living the good life, living the high life

Where all things are possible in Christ

Living the good life, I'm walking in the light

Where all things are possible

Living the good life, living the high life

Where all things are possible in Christ

Living the good life, I'm walking in the light

Where all things are possible

Me gusta vivir la buena vida

Vivir la buena vida donde todbes posible

En Cristo vivir la buena vida

Yo vivo en laluz donde todo es posible
