Up Ya Ass (Outtake)

Par Insane Clown Posse

Album : Mike E Clarks-The Extra Pop Emprium-(Bonus CD)

Its time for change

I think I'mma take all the bullshit around me and plug it

Right into the black hole, the fucking asshole of the universe!

Take the hate you show me

Fuck ya homie

Tell ya girl

Shes good to blow me

Shes alone cause your head up ya ass!

Give me back all my attention

Constant bitching

Booty switchin' herpe itchin'

Hair extension

Shove it up her ass!

And take all your thoughts opinionated

Everything I'm in you hate it

It don't fade me cause your just an ass... hole... plunger

In it goes!

Up it goes!

Out your nose!

Like That!

All the shitty racists

Hooded faces

Crimes of hate confederates

The human waste

Cram it back up the ass (it fell out of)

Take the mental pain

The constant rain

I lose no game

Stress on the brain

Just go insane

And stuff it up that ass!

And you uncle Pat

You on his lap

Hes touching that

You feel like crap

I grab the gat and fire up his ass

Way up

In it goes!

Up it goes!

Through your clothes

That shaft

I Said

In it goes! (way)

Up it goes! (up it goes)

Touch ya toes like that!

AND ITS FAT BITCH!

In it goes!

Up it goes!

Touch your toes!

Like that!
