Black and White

Par INXS

Album : Shaboo Shoobah

(Could be clear

(Black and white)

(Make a decision)

Got a need inside

And I don't know why

It's a strong feeling

That grows and grows

(One day)

My life is out the door

(Next day)

You show me what it's for

(One day)

I think I know myself

(Next day)

You leave me on the shelf

(New moment)

(Goes like this)

(Never forbidden)

There's nothing to stop

The thief of time

Stealing the hours

That keep you away

It rushes through my veins

Straight to my head

My mind is a planet

For you to roam

(This is only)

(Just the start)

(It's the beginning)

There's nothing to stop

The thief of time

Stealing the hours

That keep you away

(One day)

My life is out the door

(Next day)

You show me what it's for

(One day)

I think I know myself

(Next day)

You leave me on the shelf

(In this house)

(I call home)

(Living together)

Got a need inside

And I don't know why

It's a strong feeling

And it grows and grows

(One day)

My life is out the door

(Next day)

You show me what it's for

(One day)

I think I know myself

(Next day)

You leave me on the shelf

(This is only)

(Just the start)

(It's the beginning)

(New moment)

(Goes like this)

(Never forbidden)

(Could be clear)

(Black and white)

(Make a decision)
