Suicide Blonde

Par INXS

Album : Power Cuts

Don't you know what you're doing

You got a death wish

Suicide blonde

Suicide blonde

Suicide blonde

Suicide blonde

Suicide blonde was the color of her hair

Like a cheap distraction for a new affair

She knew it would finish before it began

Wahou, something tells me you lost the plan

You want to make her

Suicide blonde

Love devastation

Suicide blonde

You want to make her

Suicide blonde

Love devastation

Suicide blonde

She stripped to the beat
But her clothes stay on
White light everywhere
But you can't see a thing

Such a squeeze

A mad, sad moment

Glory to you

Glory to you

Take me there

Take me there

Got some revelation

Put into your hands

Save you from your misery

Like rain across the land

Don't you see

The color of deception

Turning your world around again

You want to make her

Suicide blonde

Love devastation

Suicide blonde

You want to make her

Suicide blonde

Love devastation

Suicide blonde

You want to make

You want to make

You want to make her

Suicide blonde

You want to make

That's the story

Everything you wanna be

Everything you are, are, are

Well

You want to make her

Suicide blonde

Love devastation

Suicide blonde, yeah

Suicide blonde

Love devastation

Suicide blonde

Love devastation

You want to make her

Suicide blonde

Love devastation

Suicide blonde

You want to make her

Suicide blonde
