# Revelations

Par Iron Maiden

*Album : Live After Death*

O God of Earth and Altar

Bow down and hear our cry

Our earthly rulers falter

Our people drift and die

The walls of gold entomb us

The swords of scorn divide

Take not thy thunder from us

But take away our pride.

Just a babe in a black abyss

No reason for a place like this.

The walls are cold and souls cry out in pain.

An easy way for the blind to go

A clever path for the fools who know.

The Secret of the Hangman

The smile on his lips.

**The light of the Blind**

**You'll see**

**The venom that tears my spine**

**The Eyes of the Nile are opening**

**You'll see.**

She came to me with a serpents kiss

As the Eye of the Sun rose on her lips.

Moonlight catches silver tears I cry.

So we lay in a black embrace

And the Seed is sown in a holy place

And I watched and I waited for the Dawn.

**The light of the Blind**

**You'll see**

**The venom that tears my spine**

**The Eyes of the Nile are opening**

**You'll see.**

Bind us all together

Ablaze with Hope and Free.

No storm or heavy weather

Will rock the boat you'll see.

The time has come to close your eyes

And still the wind and rain.

For the one who will be King

Is the watcher in the Ring.

It is You.
