Living Without Ja

Par Jack Bruce

Album : Can You Follow? CD5

Livin' Without Ja

(Bruce)

Livin' without ja ain't no way to live at all

You freaked me out baby

When you threw my boots into the hall

Ah baby what you tryin' to do

Come on baby what you tryin' to do to me

Livin' without ja ain't no way to live at all

You know sometimes baby

I really feel like gon' over the wall

Ah baby what you think of this

Come on baby won't you give me little kiss

I'm living without ja . . .

Burn in your kitchen ain't no way to save your meat

I keep havin' this dream where someones

Tryin' to sit in my seat

Love is free and I'm gonna stay the same

Here's the key

I ain't gone insane

I'm livin without ja . . .
