# Forever Came Today

Par Jackson 5

*Album : Gold - CD2*

**Ever, forever, ever and ever and ever**

**Ever, forever, ever and ever and ever**

There you are, standing there

Reaching out for me

Something warm in your eyes

Touched my heart

And all the love I never knew, I found in you

Suddenly, my world, my life was standing still

And you touched my hand

I knew that we had laid a plan

For everlasting love, I've been forever dreaming of

**At last, at last, my forever came today**

**When you walked into my life**

Made my lonely life a paradise

**It came today, forever came today**

Ooh, look in my eyes and see how much I want ya

Feel my touch, you know how much I need ya

I may be young, but I'm old enough to know

Look at me, I will never let it go

Let this moment thrill me a lifetime

Make it last, make it last

**Make it last forever**

**Ever, forever**

**(Make it last forever)**

**Ever and ever and ever**

**Ever, forever**

**Ever and ever and ever**

Darling, ooh, my darling make me yours

As I touch your face

Tell me love has led me

(Led me)

To this place and your warm embrace

Thanks to you

Thanks to you my search has ended

And I want the world to see

How gently love has shined on me

(Shined on me)

Everlasting love

(Everlasting love)

That I been forever dreaming of

**At last, at last, my forever came today**

**When you walked into my life**

Made my lonely life paradise

**It came today, forever came today**

**It came today, forever came today**

Ooh, you give me love by the hour

Ooh, you're my precious little flower

Girl, you give me so much sweetness

Ooh, you give my life completeness

Make it last for more than just a day

Make it last for more than just an hour

**Make it last forever**

**Ever, forever**

(Make it, make it last forever)

**Ever and ever and ever**

**(Make it last forever)**

**Ever, forever**

**Ever and ever and ever**

Came, came today, forever came today

I can't lose it, love to hear this song

You've gotta hear your music

Hear your sweet song

**I don't wanna lose it**

**I don't wanna lose it**

**I believe we can make it last forever**

Oh, I believe, baby, we can make it last forever

**I believe we can make it last forever**

Don't you believe that we can make it last forever

Oh, why don't you believe

That we can make it last forever

**Ever and ever and ever**

**Ever, forever**

**Ever and ever and ever**

**Ever, forever**

**Ever and ever and ever**
