Let's Get Married

Par Jagged Edge

Album : Best Of Black'01 CD2

See, first of all

I know these so called playas wouldn't tell you this

But I'ma be real and say what's on my heart

Let's take this chance and make this love feel relevant

Didn't you know I loved you from the start? Yeah

When I think about

All the years we've put in this relationship

Who knew we'd make it this far?

Then I think about

Where would I be if we were to just fall apart

And I can't stand the thought of losing you

Meet me at the altar in your white dress

We ain't getting no younger, we might as well do it

Been feeling you all the while girl, I must confess

Girl let's just get married, I just wanna get married

Meet me at the altar in your white dress

We ain't getting no younger, we might as well do it

Been feeling you all the while girl, I must confess

Let's get married

Baby, let's get married

Said I done it all

But frankly girl I'm tired of this emptiness

I wanna come home to you and only you

'Cause making love to just anyone ain't happening

I just gotta be with you

Do you think about

Us finishing somethin' we started so long ago?

I wanna give you my all

Do you think about

Maybe us having some babies?

Come on, won't you be my lady, forever? Yeah

I'm ready to

Commit to you

And I just can't wait for that night

'Cause I need you here with me

And let's start a family

Meet me at the altar in your white dress

We ain't getting no younger, we might as well do it

Been feeling you all the while girl, I must confess

Girl, let's just get married

I just wanna get married

Meet me at the altar in your white dress

We ain't getting no younger, we might as well do it

Been feeling you all the while girl, I must confess

Let's get married

Meet me at the altar in your white dress

We ain't getting no younger, we might as well do it

Been feeling you all the while girl, I must confess

Girl, let's just get married

I just wanna get married

Meet me at the altar in your white dress

We ain't getting no younger, we might as well do it

Been feeling you all the while girl, I must confess

Let's just get married

Meet me at the altar in your white dress

We ain't getting no younger, we might as well do it

Been feeling you all the while girl, I must confess

Girl, let's just get married, I just wanna get married

Meet me at the altar in your white dress

We ain't getting no younger, we might as well do it

Been feeling you all the while girl, I must confess
