Stay the night

Par James Blunt

Album : German Top 100 Single Charts KW 51

It's 72 degrees, zero chance of rain

It's been a perfect day

We're all spinning on our heels, so far away from real

In California

We watched the sunset from our car

We all took it in

And by the time that it was dark

You and me had something, yeah

And if this is what we've got, then what we've got is gold

We're shining bright, and I want you, I want you to know

The morning's on its way, our friends all say goodbye

There's nowhere else to go, I hope that you'll stay the night

Oh, you'll stay the night

Oh, yeah

We've been singing Billie Jean

Mixing vodka with caffeine

We've got strangers stopping by

And though you're out of tune

Girl, you blow my mind, you do

And all I say is I don't wanna say goodnight

If there's no quiet corner

To get to know each other

Then there's no hurry

I'm a patient man, as you'll discover

'Cause if this is what we've got, then what we've got is gold

We're shining bright, and I want you, I want you to know

The morning's on its way, our friends all say goodbye

There's nowhere else to go, I hope that you'll stay the night

Oh, you'll stay the night

Oh, yeah

Just like the song on my radio said

We'll share the shelter of my single bed

But it's a different tune that's stuck in my head

And it goes

If this is what we've got, then what we've got is gold

We're shining bright, and I want you, I want you to know

The morning's on its way, our friends all say goodbye

There's nowhere else to go, I hope that you'll stay the night

If this is what we've got, then what we've got is gold

We're shining bright, and I want you, I want you to know

The morning's on its way, our friends all say goodbye

There's nowhere else to go, I hope that you'll stay the night
