Don't Let Me Be Lonely Tonight

Par James Taylor

Album : The Best Of James Taylor

Do me wrong, do me right

Tell me lies but hold me tight

Save your goodbyes for the morning light

But don't let me be lonely tonight

Say goodbye and say hello

Sure enough good to see you, but it's time to go

Don't say yes but please don't say no

I don't want to be lonely tonight

Go away then, damn you

Go on and do as you please, yeah

You ain't gonna see me gettin' down on my knees

I'm undecided, and your heart's been divided

You've been turning my world upside down

Do me wrong, do me right

Right now baby

Go on and tell me lies but hold me tight

Save your goodbyes for the morning light, morning light

But don't let me be lonely tonight

I don't want to be lonely tonight

No, no, I don't want to be lonely tonight

I don't want to be lonely tonight
