# Your Smiling Face

Par James Taylor

*Album : James Taylor The Best of James Taylor [2003]*

Whenever I see your smiling face

I have to smile myself

Because I love you, yes I do

And when you give me that pretty little pout

It turns me inside out

There's something about you, baby

I don't know

**Isn't it amazing a man like me**

**Can feel this way**

**Tell me how much longer**

If it grows stronger every day

Oh, how much longer

I thought I was in love a couple of times before

With the girl next door

But that was long before I met you

Now I'm sure that I won't forget you

And I thank my lucky stars

That you are who you are

And not just another lovely lady

Sent down to break my heart

**Isn't it amazing a man like me**

**Can feel this way**

**Tell me how much longer**

If it grows stronger every day, yeah

How much longer?

**No one can tell me that I'm doing wrong today**

Whenever I see you smile at me

**No one can tell me that I'm doing wrong today**

Whenever I see your smiling face my way

**No one can tell me that I'm doing wrong today**

No one can tell me that I'm doing wrong today

No, no, darling

La la la... yeah yeah
