# The Remedy (I Won't Worry)

Par Jason Mraz

*Album : Jason Mraz - Waiting For My Rocket To Come*

Well, I saw fireworks from the freeway

And behind closed eyes, I cannot make them go away

'Cause you were born on the fourth of July, freedom ring

Well, something on the surface, it stings

I said, something on the surface

Well, it kinda makes me nervous who says that you deserve this?

And what kind of God would serve this?

We will cure this dirty old disease

Well, if you've got the poison, I've got the remedy

**The remedy is the experience**

**This is a dangerous liaison**

I says, the comedy is that it's serious

Which is a strange enough new play on words

**I say the tragedy is how you're gonna spend**

**The rest of your nights with the light on**

**So shine the light on all of your friends**

**When it all amounts to nothing in the end**

**I, I won't worry my life away**

**Hey, oh, oh**

**I, I won't worry my life away**

**Hey, oh, oh**

Well, I heard two men talking on the radio

In a cross fire kind of new reality show

Uncovering the ways to plan the next big attack

While they were counting down

The ways to stab the brother in the be right back after this

The unavoidable kiss

Where the minty fresh death breath is sure to outlast this catastrophe

Dance with me

'Cause if you've got the poison, I've got the remedy

**The remedy is the experience**

**This is a dangerous liaison**

I says the comedy is that it's serious

This is a strange enough new play on words

I say the tragedy is how you're gonna spend

The rest of your nights with the light on

So shine the light on all of your friends

When it all amounts to nothing in the end

I, I won't worry my life away

Hey, oh, oh

I (I won't, I won't, I won't)

I won't worry my life away

Hey, oh, oh

When I fall in love (I fall in love)

I take my time

There's no need to hurry when I'm making up my mind

You can turn off the sun (turn off the sun)

But I'm still gonna shine and I'll tell you why

Because the remedy is the experience

**This is a dangerous liaison**

**I says the comedy is that it's serious**

**This is a strange enough new play on words**

**I say the tragedy is how you're gonna spend**

**The rest of your nights with the light on**

**So shine the light on all of your friends**

**When it all amounts to nothing in the end**

I ('cause I won't)

**I won't worry my life away**

**Hey, oh, oh**

**I (I won't, I won't, I won't)**

**I won't worry my life away**

(I won't worry my life)

I (I won't)

**I won't worry my life away**

I ('cause I won't, and I won't, and I won't)

Worry my life away

**Hey, oh, oh**

**I (I won't, I won't, I won't)**

**I won't worry my life away**
