# Worldwide Torture

Par Jazmin Bean

*Album : 3:34*

**Do it, do it, do it, hard!**

I'm a nasty little cunt

Break your teeth and break your heart

Hit you where it hurts and all

Sweetest bitch you've ever known

I'm a nasty little swine

Take and break what is not mine

I'm gonna destroy the world

Sweetest shit you've ever known

**Sour to the bone marrow, horrid to the core**

**All you've got is not enough, stupid, I just want more**

**And I'll throw another punch, yes, I'll get the highest score**

**I'll be chewing on your skin, I'll be knocking down your door**

**All I really want is to destroy, stroy, stroy**

**One first in ya face while keeping my poise**

**A pure violation of God's great creation**

It's an infestation, it's world domination

I never come second place, always been a big disgrace

Smell the fear I know you see, high achiever (Yeah, that's me)

Make you mad ruining your shit, trust me I'm not hesitant

Killing so I stay on top but I could never do no wrong

**Sour to the bone marrow, horrid to the core**

**All you've got is not enough, stupid, I just want more**

**And I'll throw another punch, yes, I'll get the highest score**

**I'll be chewing on your skin, I'll be knocking down your door**

**All I really want is to destroy, stroy, stroy**

**One first in ya face while keeping my poise**

**A pure violation of God's great creation**

**An infestation, it's world domination**

**Do it, do it, do it, hard!**

**Do it, do it, do it, hard!**

**Do it, do it, do it, hard!**

**Do it, do it, do it, hard!**

**Sour to the bone marrow, horrid to the core**

**All you've got is not enough, stupid, I just want more**

**And I'll throw another punch, yes, I'll get the highest score**
