You're Only Lonely

Par J.D. Souther

Album : Natural History

When the world is ready to fall on your little shoulders

And when you're feeling lonely and small

You need somebody there to hold you

You can call out my name... when you're only lonely

Now, don't you ever be ashamed, you're only lonely

When you need somebody around on the nights that try you

(Remember) I was there when you were a queen

And I'll be the last one there beside you

So you can call out my name... when you're only lonely

Now, don't you ever be ashamed, you're only lonely

(You're only lonely)

(You're only lonely)

(You're only lonely)

Ooooooh

When the world is ready to fall on your little shoulders

And when you're feeling lonely and small

You need somebody there to hold you

So don't you ever be ashamed, when you're only lonely

Ah, you can call out my name... when you're only lonely

(You're only lonely)

When you're only lonely

(You're only lonely)

Ooh, it's no crime... darling, we've got lots of time, woah ooh ohh

(You're only lonely)

Woaah oh

(You're only lonely)

Ah, there's nothing wrong with you

Darling, I get lonely, too

(You're only lonely)

(You're only lonely)

So if you need me, all you gotta do is call me

You're only loooooonely

(You're only lonely)

(You're only lonely)

(You're only lonely)
