All At Once

Par Jeffrey Osborne

Album : From The Soul

Oh, no

Ooh, baby

Oh, baby

All at once

I finally took a moment and I'm realizing that

You're not coming back

And it finally hit me all at once

All at once

I started counting teardrops and at least a million fell

My eyes began to swell

And all my dreams were shattered all at once

Ever since I met you

You're the only love I've known

And I can't forget you

Though I must face it all alone

All at once

I'm drifting on a lonely sea

Wishing you'd come back to me

And that's all that matters now

All at once

I'm drifting on a lonely sea

Holding on to memories

And it hurts me more than you know

So much more than it shows all at once

All at once

I looked around and found

That you were with another love in someone else's arms

And all my dreams were shattered all at once

All at once

The smile that used to greet me

Brightened someone else's day, it took your smile away

And left me with just memories all at once

Ever since I met you

You're the only love I've known

And I can't forget you

Though I must face it all alone

All at once

I'm drifting on a lonely see

Wishing you'd come back to me

And that's all that matters now

All at once

I'm drifting on a lonely sea

Holding upon to memories

And it hurts me more than you know

So much more than it shows all at once

Ooh, ooh, girl

I'm drifting on a lonely sea

Holding upon some memories

And it hurts me more than you know

So much more than it shows all at once

I'm holding on to memories

And it hurts me more than you know

So much more all at once
