# Come On In

Par Jerry Lee Lewis

*Album : Live*

If you're here 'cause you love me

And not just because

Things didn't work out with him

If you've had sweet dreams of me

And where we left off

**Come on in, come on in**

If you've come back forever

And if you're sincere

If you'll be satisfied with one man

If you've got it together

And you're bringing it here

**Come on in, come on in**

I've been missing the fire

In your ocean green eyes

And the love words you whispered back then

If you can still say you love me

After telling those lies

**Come on in, come on in**

It's the worst kind of Hell

Since we're living apart

I don't think I can take it again

If you swear that you'll love me

I'll open my heart

**Come on in, come on in**

Come on in, darlin'

I love you
